

WORKNEST

Welcome to WORKNEST

WorkNest is all about rediscovering a new way of office working. Designed with ergonomic furniture, plentiful natural lighting and characterful interiors, ours is a workplace you are going to love every morning.

Build your own community, share ideas, innovate with like-minded people and write your own success story. WorkNest is not just a working space. It is a workplace that motivates you, fires your creativity and propels your business towards success.

So, transform the way you 'office' today and get WorkNestified!

Pleasing
Aesthetics

Our Aim

We aim to establish WorkNest as a global name in the office space industry where people and businesses can learn and grow together. Our eyes are set on making WorkNest the first choice of office space for entrepreneurs and corporates.

Our Vision

We aspire to create a business ecosystem and develop a community nurturing innovation and creativity. Our aim is to transform the traditional style of working with a modern layout of shared workspaces where entrepreneurs, businessmen and aspirants can grow together.

CONVENTIONAL LEASE

Long lock-in

High upfront Capex

Hassle of managing office operations

High office expenses due to budgeting for expansion

Single location, No community

Conventional offices

WORKNEST CO-WORKING

Flexible membership plans

No Capex required

Completely managed and serviced office space

20-30% lower monthly costs than having your own office

Multiple locations and Global community

Great Design and community to boost employee satisfaction
